LOCATION AND ACCESS

The town of Oraison is located in the Alpes de Haute Provence, at the crossroads of the Luberon and Gorges du Verdon.

Bordered by the Durance, the Asse and the Rancor torrent, the city rises to 376 meters above sea level and has 6018 inhabitants.

It is a place of relaxation, privileged, in a preserved natural framework of 2300 hectares of forests of white oaks and holm oaks, from where its name "A city in the countryside".

Oraison is one kilometer from the motorway junction of La Brillanne, exit 19 of the A51 motorway, which provides a quick communication to the south towards Aix-en-Provence and Marseille and north towards Gap and of Sisteron.
